CONTRACT TERMS AND CONDITIONS

A minimum non-refundable retainer fee of \$75 is required to secure the above date and is applied to total amount contracted. No date is reserved until a retainer fee is received and this contract filled out and signed. Client pays for total amount as stated in contract, not less than the contracted amount should the event end early. Should client choose to go past the ending time and Paul Peterson/DJ is available for overtime, the hourly rate as stated above shall apply. The overtime period is a mandatory (30) thirty minutes minimum. The balance is due on the date of the event payable by cash, money order or check. A late fee of \$50 may be incurred if remaining balance is not paid by the date of the event. A service charge of \$25 will be added to all returned checks. If Client needs to cancel, a written notice of (90) ninety days prior to event must be given. Failure to do so may result in client paying the balance of the contract due, because of the high probability that Paul Peterson/DJ will not be able to further book that date. Once balance is paid, it is non-refundable. Paul Peterson will be your DJ at your event. In the extreme case Paul Peterson cannot perform due to illness or injury, a comparable DJ will be arranged. If a substitute DJ cannot be found, Paul Peterson's only liability will be limited to the refunding of any monies paid by the client. Paul Peterson/DJ will make every effort to play all requests and perform all events but cannot guarantee they will all be done. Client will provide an approx. 6 foot covered table with at least one 20 amp-power supply. If setup is outdoors, a covered area will be provided. Client is responsible for providing parking for the DJ as nearby to event as possible including any parking fees. Paul Peterson/DJ assumes no liability for the actions of any guests or third party individuals during the event listed above. If any guests use threatening behavior towards Paul Peterson/DJ, they have the right to stop the music until the situation is under control. Paul Peterson/DJ will set a level of volume at the request of the client and will not be liable for any noise disturbance in the surrounding area. The individual or organization represented below assumes all responsibility for physical damage to the mobile equipment caused by client, guest, or third parties. Electronics malfunctions remain the responsibility of Paul Peterson/DJ.
